
LACK'S CLEANING SERVICE

Never Pay for Carpet Cleaning Again!

We think you're going to love our referral program!

Help share your great experience with your family and friends. When you refer your family and friends to us please be assured that we will *not* bother them with pesky phone calls. We will simply mail them a certificate for a **FREE in-home written cleaning audit plus a FREE room of cleaning**. All we ask is that they aren't already a Lack's Cleaning Service customer and are a home or business owner within the Greater West Valley.

As our way of saying thank you, once they use our service we will send you a certificate in the amount of 10% of *their* job cost. Think about it, if you send us enough referrals that use our services, you could get your next cleaning service *FREE!*

Please complete the referral form accurately and legibly. If the address isn't complete we won't be able to send them their *FREE* gift. If you don't know their complete address but do have their phone number please put that down. We promise we will *not* telemarket your family and friends. We hate that just as much as you do. But we will call them just to get their address so we can send out their *FREE* gift.
